Integrated Vehicle Health Management: Business Case Theory and Practice

By Ian K. Jennions

Exploring IVHM from a business perspective, this book builds the commercial justification of adopting a new asset health management process. Case studies provided concisely and clearly illustrate the true value of condition-based maintenance, the advantage of cost avoidance and risk mitigation for high value assets.

Chapters include:

- How to calculate the return on investment of an IVHM system
- How real options can be used for decision making
- How the availability of prognostic information affects maintenance
- The business potential of structural health monitoring in aeronautics

This book fills an important gap in this emerging body of knowledge which unites the technical and the business aspects of a paradigm shift.

Integrated Vehicle Health Management: Perspectives on an Emerging Field

By Ian K. Jennions

Unique and groundbreaking—this highly-anticipated book addresses both basic and advanced concepts critical for the understanding and support of the developing field of Integrated Vehicle Health Management (IVHM).

From an initial idea by the SAE IVHM Steering Group, collaboratively written by experts from academia, research and industry, the thirteen chapters within this book represent the collective voice of the most qualified authorities in the field.

Highlights of the book include:

- a single definition and taxonomy of IVHM, as well as basic principles
- the identification of how and where IVHM should be implemented
- the commercial value of IVHM
- vehicle health management systems engineering
- algorithms and their impact on IVHM
- IVHM future directions and issues
- Case study on IHUMS

This book serves as the perfect introduction to IVHM for engineers, executives, academic instructors, and students.

CMH-17 Handbook Update!

Polymer Matrix Composites 3-Volume Set

- Volume 1: Guidelines for Characterization of Structural Materials
- Volume 2: Materials Properties
- Volume 3: Materials Usage, Design, and Analysis

This newly-updated engineering reference tool contains the latest test data. The set includes critical properties of composite materials that meet specific data requirements, as well as guidelines for design, analysis, material selection, manufacturing, quality control, and repair.

3-Volume Set - available in three formats!

- **Print** 3 Softbound Volumes
- **eBOOK Download**
- **DVD** 3 Disk Set, single user only*

\$759.95 List

Product Code: R-422.SET

Individual volumes also available for purchase. *Multi-user access is available through the SAE Digital Library.

Coming in 2013! Handbook updates covering metal matrix, ceramic matrix, and structural sandwich composites.

Engineered Tribological Composites

By Roy Cox

Readers will gain a solid background about tribology, as well as a solid understanding of matrices, fibers and additives that make up engineered tribological composites, how manufacturing affects these composites, along with how friction and wear affect those materials. Learn which materials provide the optimum balance of cost, friction and wear for various applications.

Care and Repair of Advanced Composites, Second Edition

By Keith B. Armstrong, William Cole and Graham Bevan

This second edition has been extensively updated to keep pace with the growing use of composite materials in commercial aviation. Although this book has been written primarily for use in aircraft repair other applications including marine and automotive are also covered. This book is a worldwide reference for repair technicians and design engineers.

ORDERING INFORMATION

Ordering Methods

Orders can be placed by selecting one of these five convenient methods:

(1) Internet

Visit store.sae.org for more information on all SAE titles and to place your order online.

(2) Telephone

Contact SAE Customer Service
Monday through Friday, 8:00 a.m. - 5:00 p.m. ET
1-877-606-7323 (Toll free U.S. and Canada)
1-724-776-4970 (Outside U.S. and Canada)

Telephone interpretation services are available. Please ask the Customer Service Representative handling your call for an interpreter to join your conversation.

(3) E-mail

CustomerService@sae.org

(4) Fax

1-724-776-0790

To prevent duplicate charges, do not mail the order if you have already faxed it.

(5) Mail

SAE Customer Service
Dept. P135425
400 Commonwealth Dr.
Warrendale, PA 15096-0001 USA

Please have the following information available when placing your order:

- This catalog promotion code: P135425
- Your customer number or valid SAE membership number (can be found on a prior invoice or mailing label)
- Your deposit account number, if applicable

Pricing and Tax

Prices are subject to change without notice. All orders will be shipped at current prices. Unless a tax exemption certificate is on file, Pennsylvania residents must add 7% sales tax (6% state; 1% county); Michigan residents add 6% sales tax; and California residents add 7.25% sales tax to all orders. Washington D.C. residents add 5.75% sales tax, and Florida residents add 6%, plus applicable county sales tax. Illinois add 6.25% sales tax, New York add 7% sales tax plus applicable county tax, Virginia residents add 5% sales tax, North Carolina residents add 4.75% sales tax plus applicable county tax. Canadian residents are subject to a 7% goods and sales tax (GST). Georgia residents add 7% Sales Tax, plus applicable county sales tax.

Payment Options

We accept the following credit cards as forms of pre-payment: VISA, MasterCard, American Express, and Discover. We also accept money orders, personal or company checks in US Dollars only made payable to SAE, drawn on a U.S. bank and purchase orders. If you are paying by purchase order, please attach the order form or include on your P.O. the information specified in the order section of the form. Proforma invoices will be sent upon request.

Shipping Options

SAE typically ships orders via UPS. We also ship via U.S. Mail. Orders can be shipped overnight if requested. Call SAE Customer Service to determine the best shipping option to meet your needs. Actual shipping charges are applied to all orders. For an estimate of shipping charges for a particular order, contact SAE Customer Service.

Standing Orders

SAE publishes a number of books and technical papers on a regular basis, enabling you to establish standing orders. This time-saving convenience insures that you will automatically receive a book as soon as it's published. You'll also save money, as SAE will pay all regular shipping and handling charges (with the exception of overseas orders). You will never have to check your order unless you need to change it. To establish a standing order, send a purchase order to SAE stating the books you would like to receive on a standing order basis, and SAE will handle the rest. For complete details on what standing order options are available to you, call SAE Customer Service.

Quantity Discounts

Quantity discounts are available for many of our publications. Call SAE Customer Service for more information.

Deposit Accounts

Start an SAE Deposit Account and save valuable time and money! SAE Deposit Account subscribers initially deposit a minimum of \$750 to their account, and are then assigned an account number. As a Deposit Account holder, you'll automatically receive a 10% discount off the list price of many of our publications and will not be charged regular shipping and handling costs, with the exception of overseas orders where actual shipping charges will be applied. With each purchase, you simply "draw against" the deposit. An invoice will accompany each order, showing purchasing details and the account balance. A minimum balance of \$500 must be maintained. To start your SAE Deposit Account, call SAE at 1-724-776-4970.

SAExpress - Global Document Service

SAE can provide you with access to over 100,000 documents from 30 societies from around the world through SAExpress — Global Document Service. Documents from 400 journals, standards, and conference proceedings cover all areas of land, sea, air and space vehicles dating back as far as 1906. Many convenient delivery options are available. Contact SAE Customer Service for details.

Customer Service

Your satisfaction is of utmost importance to us. We are aware that customer input is the basis for continuously improving our service to you. We welcome your suggestions.

Guarantee

Your satisfaction is 100% guaranteed. If you are unsatisfied with a publication you purchased, you may return it in saleable condition for an exchange, credit, or full refund within 30 days of the purchase date. For your convenience, necessary forms for returns are included with your shipment. This guarantee does not cover special requests requiring photocopying or orders from book dealers.

SAE Returns Policy

To ensure our customers receive prompt and proper credits for products returned to SAE in saleable condition, the returns form included in the shipment must be completed and accompany the return.

1. Print products must be returned within 30 days of invoice date.
2. DVD, CD-ROM, software, or video products must be returned within 30 days of invoice date. Product must be in original shrink-wrapped package (unopened). SAE does not accept returns of any CD-ROM, software, or video products that have been opened.
3. SAE does not accept returns of downloadable documents or web products.
4. SAE does not accept returns of magazines, photocopies or quantity purchases of print products.
5. University Bookstores may return 20% of their original order of unused print products within 60 days of invoice date.
6. Shipping fees will only be refunded if the return is due to an SAE error.
7. No returns are accepted from book dealers, distributors, or resellers. All sales are final unless the product is damaged. Replacements will be issued - no credits or refunds.

When ordering directly through SAE:

Prepayment in full should accompany the order. The following are acceptable as payment:

- The preferred method of payment for overseas orders is via credit card. SAE accepts VISA, MasterCard, American Express, and Discover.
- Personal or company checks in U.S. dollars made payable to SAE International, drawn in a U.S. bank.
- International money orders.
- Electronic Funds Transfer: Please fax all documentation to 1-724-776-2449 or mail to Accounts Receivable, 400 Commonwealth Dr., Warrendale, PA 15096 USA to ensure accurate payment application. Sun Trust Bank, 1445 New York Ave NW, Washington DC 20005-2108 USA. Acct#206706413 • ABA #055002707 • Swift Code SNTRUS3A
- Bank wire: *Please note bank wires will only be accepted in amounts exceeding \$500.00. If payment is for an amount less than \$500.00 please choose an alternate payment method or contact Customer Service at 1-724-776-4970. Please fax all documentation and invoice number to 1-724-776-2449 or mail to Accounts Receivable, 400 Commonwealth Dr., Warrendale, PA 15096 to ensure accurate payment application. Sun Trust Bank, 1445 New York Ave NW, Washington DC 20005-2108 USA. Acct#206706413 • ABA #061000104 • Swift Code SNTRUS3A

Please provide bank transfer number with your order. All necessary customs regulations and declaration forms should be included. Proforma invoices will be sent upon request or if an order is received without prepayment. Most orders are shipped International Standard and should reach overseas destinations within 2 - 5 weeks. Express shipping is available upon request for an additional charge.
