Title	Product Code	Publication Date	Sale Price
SI Combustion and Direct Injection SI Engine Technology	SP-2016	2006	\$39.99
Combustion and Flow Diagnostics and Fundamental Advances in Thermal Fluid Sciences 2006	SP-2015	2006	\$39.99
New Diesel Engines and Components and CI Engine Performance for Use with Alternative Fuels	SP-2014	2006	\$39.99
CI & SI Power Cylinder Systems and Power Boost Technology 2006	SP-2013	2006	\$39.99
Compression Ignition Combustion Process 2006	SP-2012	2006	\$39.99
Multi-Dimensional Engine Modeling 2006	SP-2011	2006	\$39.99
Diesel Fuel Injection and Sprays 2006	SP-2010	2006	\$39.99
Advanced Hybrid Vehicle Powertrains 2006	SP-2008	2006	\$39.99
Variable Valve Actuation 2006	SP-2007	2006	\$39.99
Applications of Fuel Cells in Vehicles 2006	SP-2006	2006	\$39.99
Homogeneous Charge Compression Ignition (HCCI) Combustion 2006	SP-2005	2006	\$39.99
New SI Engine and Component Design 2006	SP-2004	2006	\$39.99
Electronic Engine Controls 2006	SP-2003	2006	\$39.99
Transmission and Driveline 2006	SP-2001	2006	\$39.99
Simulation and Optimization: System Level, Component Level, Advanced Technology/Methodology	SP-1989	2005	\$19.99
New Developments in Commercial Vehicle Transmissions and Advanced Technologies to Improve Driveline	SP-1987	2005	\$19.99
Transmissions and Drivelines Symposium - 4WD/AWD	SP-1979	2005	\$29.99
Diesel Fuel Injection and Sprays 2005	SP-1977	2005	\$29.99
Electronic Engine Controls 2005	SP-1975	2005	\$29.99
Compression Ignition Combustion Processes 2005	SP-1974	2005	\$29.99
Combustion and Flow Diagnostics, and Fundamental Advances in Thermal and Fluid Sciences	SP-1971	2005	\$29.99
Multi-Dimensional Engine Modeling 2005	SP-1970	2005	\$29.99
Modeling of SI and Diesel Engines 2005	SP-1969	2005	\$29.99
Variable Valve Actuation 2005	SP-1968	2005	\$29.99
Engine Lubrication and Bearing Systems	SP-1967	2005	\$29.99
New SI Engine and Component Design 2005	SP-1966	2005	\$29.99
Applications of Fuel Cells in Vehicles	SP-1965	2005	\$29.99
CI and SI Power Cylinder Systems and Power Boost Technology	SP-1964	2005	\$29.99
Homogeneous Charge Compression Ignition (HCCI) Combustion 2005	SP-1963	2005	\$29.99
Military Vehicle Technology	SP-1962	2005	\$29.99
Climate Control	SP-1946	2005	\$29.99
Thermal Management Systems, Modeling, and Components	SP-1945	2005	\$29.99
Steering and Suspension, Tires and Wheels	SP-1915	2005	\$29.99
Powertrain Developments and Power and Energy Management	SP-1910	2004	\$19.99
Engineering for Transmissions, Drivelines and Electrical Systems in Off-Road Vehicles	SP-1908	2004	\$19.99
New Powertrain Systems and Components	SP-1902	2004	\$19.99
SI Engine Experiment and Modeling	SP-1901	2004	\$19.99
Diesel Engine Experiment and Modeling	SP-1900	2004	\$19.99
Diesel Particulate Systems, Engines and Components, and Performance Additives 2004	SP-1898	2004	\$19.99
Homogeneous Charge Compression Ignition	SP-1896	2004	\$19.99

Title	Product Code	Publication Date	Sale Price
<u>SI Engine Performance and Additives, Gasoline Engine Cold Start, and Direct Injection</u>	SP-1895	2004	\$19.99
<u>New Combustion Systems in SI and Diesel Engines, and Combustion and Emission Formation Processes in Diesel Engines</u>	SP-1890	2004	\$19.99
<u>Mixture Preparation, Combustion and Emission Formation Processes in SI Engines, and Diesel Spray and Mixture Formation</u>	SP-1888	2004	\$19.99
<u>Homogeneous Charge Compression Ignition (HCCI)</u>	SP-1884	2004	\$19.99
