

## Frequently Asked Questions

# About TechSelect

**1. What if I don't have the Adobe Acrobat Reader?**

You can [download a free copy here](#).

**2. What if I run out of downloads during my yearly subscription?**

Subscriptions can be updated to include more downloads during the course of an agreement.

**3. What is considered a download?**

Each download (also known as a view or open action) of a unique document is counted as one download. This means that once you download a paper, it is yours to view whenever you need it without limit during your subscription period.

**4. What do you mean by single user license agreement?**

[See Licensing Agreement](#).

**5. What documents are available in TechSelect?**

SAE Technical Papers published since 1998 are available in TechSelect. Beginning in 1999 SAE no longer holds the copyright to the Stapp papers; therefore, they are not available in TechSelect.

**6. How often is TechSelect updated?**

TechSelect is updated weekly.

**7. Can I carry over downloads from subscription to subscription?**

You are not able to carry over any unused downloads from one subscription period to the next.

**8. What are the minimum requirements I need on my computer to run this product?**

This site was designed, tested and optimized for Internet Explorer 5.5 or higher, and Netscape 6.2 or higher. If you use another browser, you may experience functionality limitations.
